**REPORT OF ROAD AGENT**

During the past year all roads were scraped and dragged, some several times. All ditches and culverts were cleaned in early spring and again in fall, also leaves were cleaned from same.

Brush was cut on 18 miles of road.

Roads were top dressed from three to six inches and about 4700 yards of gravel put on including TRA from Goldmine to Pickford and East Jaffrey line and Koskela residence. Also on road to former Riker farm, Jackson and Korpi roads. Also Old Harrisville road.

Due to heavy rains the Weld road washed out badly twice making necessary widening of Mt. brook river bed and road. Two 3 foot culverts 24 feet long were installed also one 18 inch culvert 24 feet long to take care of excess water. Road was widened from the bridge to Weld drive and about 490 yards gravel put on same.

The Merryman road and Blackberry lane also washed out and several other roads needed filling in and graveling.

Due to shortage of labor some of the work planned had to be postponed for the present.

The tractors were inspected early in spring and it was found the Cletrac needed some repairs and was taken to Guilford, Vt., where necessary repairs were made. The large tractor was considered to be in working order.

At this time I wish to thank one and all who helped in any way as all assistance was greatly appreciated.

Respectfully submitted,

E. BERTELL PIERCE,  
Road Agent

## REPORT OF THE DUBLIN SCHOOL BOARD

### TO THE CITIZENS OF THE DUBLIN SCHOOL DISTRICT:

We submit the one hundred and twenty-third annual report of the School Board.

At a time when the turnover in teachers throughout the country has been great and when many teachers have gone into the armed services or sought other types of occupation, the Dublin School Board is grateful that all four of the teachers in the Dublin Consolidated School have remained for this year.

In addition to the regular studies the school has continued its schedule of important extra-curriculum activities. These activities have made use of the special talents and training of each of the teachers and have had in mind the demands of a war situation.

A very successful Children's Fair was held in the school last fall at which were exhibited a wide variety of excellent vegetables raised by the children of Dublin, Harrisville and Nelson. These children's gardens and the fair itself were under the supervision of The Dublin Garden Club but the excellent co-operation of the teachers as well as that of the 4-H Club leader, Mary Hall, and the Monadnock Community Parish was a strong factor in its success.

Following up the garden project the older pupils under the supervision of the teachers canned nearly one hundred quarts of tomatoes.

These tomatoes formed one of the major items in the schedule of hot lunches being carried out this winter. Hot lunches are almost a necessity through these cold winter months.

Another project supervised by the school teachers and in this instance carried through by the boys and girls now organized into scout clubs is the paper salvage campaign. The job done in Dublin in salvaging paper has been second to none in the county.

The greatest improvement made in the school property this year has been the graveling of the school yard and the elimination of the mud that has made it unusable at times in fall and spring.

The Dublin School Board wishes to express its appreciation for the cooperation of the teachers, janitor, superintendent, and townspeople in the year just past.

## ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE DUBLIN SCHOOL BOARD

I submit at this time my eleventh annual report of the Dublin Consolidated School, together with the statistical table and summary, and also the annual report of our school nurse, Miss Margaret E. Harris.

The enrollment of the Consolidated School shows a small gain over the number enrolled last year.

For the school year 1943-1944 the enrollment was 74 with an average membership for the year of 68.16.

For the first 12 weeks of the present school year the enrollment was 78 with an average membership of 74.71.

The Dublin Consolidated School has been fortunate in retaining their entire teaching staff of last year.

The progress of all grades has been encouraging and the increase in the number of pupils attending Peterborough High School over the figure of 25 for last year indicates the interest of both parents and pupils in securing schooling beyond the elementary grades.

Miss Robb has continued her work in music in all grades with satisfactory results.

The noon lunches under the direction of Miss Grimes have been carried on as last year. In a school where more than two thirds of the pupils are transported the noon lunch program during the winter months is important.

Our teachers attended the meeting of the State Teachers' Association at Manchester on October 20th. This was the first state meeting since 1941.

In the recent publication of the State Board of Education entitled "Planning School Buildings for New Hampshire Children" the Dublin Consolidated School has the picture on the cover of the book.

I wish at this time to express my appreciation of the support given me by the school board, teachers, pupils and parents during the past year.

LEWIS S. RECORD,

Superintendent of Schools.
